

Digital Media Developers Group

Oct. 3, 2002 Meeting Notes

Old Business:

ITAB Report - Kay Dinolfo

- ITAB is okay with the Web Guidelines as submitted by this committee
- No funding for Motor Carrier Project which was supposed to be part of the e-Gov initiative
- Still working with Small Business Association and now Dept. of Revenue with their online application
- The Portal may hinge on financial law issues - nothing worked out yet on funding
- missouri.gov domain is secured; a workgroup has been put in place to come up with standards/guidelines for using this domain

Web Guidelines Subcommittee Report - Kevin Lanahan/Lainie Martin

- Ready t DMD, Erica is working on tutorial links. Will add accessibility items Diane Goldman suggested.
- Send tutorials to Kevin or Erica for posting.

<http://sdcos20.intra.state.mo.us/...>(Listing of Experts" -- State Agency Intranet?)

- It was suggested to alter the htaccess for 168.166 IP addresses to view a subdirectory/folder under the /dmd folder. This would be similar to a State Intranet folder that only state agencies can view.

State Home Page & Multi-State Agency Projects (Standards/Recommendations)

- Josh Bullock is to finalize and post this document on the DMD Web site.

New Business:

- Kirk Keller mentioned he is going to a Conference on Fish & Wildlife projects. Some of these Web projects will be using XML.gov methodology with Cold Fusion. There may be some federal funds for this. Kirk will give an update on this conference, projects and funding at the December DMD meeting.

Agency Projects/Open Discussion:

- Jenny Wehmeyer with Dept. of Corrections is redoing their entire Web infrastructure and site.
- DESE is putting their .net out with and ASP front end. They plan to have a bulletin board system up next week. She will report back to this committee at our November DMD meeting.

- Jason with the House of Representatives is redoing their home page to the .net environment; he is having trouble with fonts/text when the window refreshes. Feel free to send him suggestions.
- O/A is redoing their Web site. It should be up by November 1.
- O/A may put a DMD 168.166 bulletin board on the DMD Web site. We will discuss this at our next meeting.
- I will work up an Experts List and Online Survey to ask questions about this topic.
